

Introducing *Captello for Conferences*

A SOLUTION OPTIMIZED FOR CONFERENCES, EDUCATION & TRAINING.

Create meaningful experiences that encourage deeper engagement, improve knowledge retention, and collect participant feedback.

AMPLIFY EXCITEMENT WITH DIGITAL GAMES FOR CONFERENCES, CORPORATE MEETINGS & TRAINING.

Launch digital games anywhere instantly with branded QR codes. Participants may use their own devices or browser to play.

Choose from a selection of more than 40 customizable game templates. Use the activation builder to quickly customize games with company branding, images and messaging. Build custom QR codes and hyperlinks to share with any number of invitees. Live leaderboards keep track of the action, notifying participants and winners when the event is over.

Easily engage attendees at live, virtual and hybrid sessions.

- Educate & entertain
- Reward attendees
- Collect participant & survey data
- Gamify presentations

INCREASE PARTICIPATION & FEEDBACK WITH E-GIFT CARD REWARDS & PRIZES

Choose from a selection of over 250 famous e-gift card brands to award as employee incentives or prizes, or let employees choose their own favorites from the Rewards Center. Follow up with email, SMS messages, or handwritten letters of appreciation that are all part of a customizable workflow.

E-gift cards are easy to distribute, and available instantly in a number of countries and currencies.
