

Captello **EVENTGEN** *everything* you need for *all* your *events*.

The Hosted Event App

TOTAL EVENT MANAGEMENT AT YOUR FINGERTIPS

Check registrants in and out of your event, verify tickets, sell tickets and custom add-ons like parking and food service selections, and much more. The Hosted Event app works as a stand alone app, or with a handheld sled for lightning fast scanning and ticket sales. View event activity quickly with in-app summaries and statistics.

The Online Event Directory

ONE CONVENIENT PLACE TO FIND AND REGISTER YOUR EVENTS

The Online Directory makes it easy to search and register all of your events. Registrants create online profiles, allowing them to purchase tickets, print tickets, and more. Each event has its own fully customizable profile page that is quick and easy to set up.

Event in a BOX

RUN YOUR NEXT EVENT WITH THE HARDWARE SOLUTION THAT ENSURES SUCCESS

BOX delivers a simple package containing everything you need to run your event, from check-in to follow-up, including Captello's industry leading event lead management platform. Select from a variety of rental packages, or purchase BOX to use year-round.
